MISSIONARY CORNER

As a Relief Society we have been asked to provide a few names each week of individuals or families that the Missionaries can contact who may be interested in the gospel or any current members that might need a bit of extra love to get them interested in coming back to church. Also if there is a need of any service in the ward that the Elders can help with please let us know or you can contact the Elders directly. As Spring is in full swing this is a great time to meet our new neighbors and also give them that Special Pioneer Ward welcome with a good old Sod Party.

We would also like to remind you of our Ward Mission Plan that as your pray each day to include these 3 things...

-Pray for all the missionaries throughout the world
-Pray for the missionaries serving in the Pioneer Ward , by Name

~~~~~Elder Hawkins and Elder Hammond~~~~~

**-Pray for personal missionary experiences**

If you have anyone that you feel prompted about please let one of the Relief Society Presidency members know so we can get their info to the Missionaries. We need to keep the work moving forward and keep our Elders busy.

**RELIEF SOCIETY LESSON HIGHLIGHTS**

Sister Rolayne Collins led our discussion on "Hearts Knit together" by Gary Stevenson.

# SPOTLIGHT

## Everyone... meet Lori Boatright

My husband, Gary, and I met on a blind date and have been married going on 25 years! We have 3 daughters. Our oldest daughter, Makenzie, is 20 and is a senior at Utah State University. Our middle daughter, Brinley, is 17 and is a senior at Bonneville High School. Our youngest daughter, Kylee, is 14 and is a 9<sup>th</sup> grader at T.H. Bell Junior High. Our family loves Disneyland and anything Star Wars or Marvel related! Gary and I also enjoy traveling, especially to the National Parks. Yellowstone is our favorite!

We have been in the Pioneer Ward for 3 years. We lived in Riverdale for 20 years before building our house on Petersen Parkway. We moved in on Halloween day of 2018.

My ideal treat yourself day would be a day at Disneyland, with my family! We have gone without our kids before but its not as much fun. I would ride the Guardians of the Galaxy ride as many times as my kids would let me. And I would eat a churro, some beignets, and a dole whip for a meal!

I have enjoyed studying the Come Follow Me lessons. As a family we have been able to learn and teach each other. There have been many times that we have ended up sitting for an hour or two after the lesson and just talking as a family about things that we have learned or questions that someone may have. I am grateful to be able to read and study with my family and hear their different perspectives on these lessons.

I hope I can be like my grandma Ames when I grow up! She was the kindest person I have ever known. You always felt like you were the most important person in her life. She loved everyone unconditionally. My grandpa Ames was the same way. They were married 72 years before she passed away in 2015.

I love playing the board game Ticket to Ride! During the pandemic we invested in a few board games and this one is my most favorite game ever!!! We held an awards ceremony during the middle of the pandemic and I was awarded the Ticket to Ride champion trophy! But my family doesn't share my enthusiasm for this game so unfortunately, I don't get to play it every night like I would like. Although they are willing to play with me once in a while if I bribe them with treats!
