**MISSIONARY CORNER**

As a Relief Society we have been asked to provide a few names each week of individuals or families that the missionaries can contact who may be interested in the gospel or any current members that might need a bit of extra love to get them interested in coming back to church. Also, if there is a need of any service in the ward that the Elders can help with, please let us know or you can contact the Elders directly.

As you know our ward is growing at a tremendous rate and we want to encourage you and your circles to get out and meet our new neighbors and invite them to any and all activities coming up. Let them feel the Pioneer Ward Spirit and help them feel welcome!!!!

We would also like to remind you of our Ward Mission Plan that as you pray each day to include these 3 things...

- Pray for all the missionaries throughout the world
- Pray for the missionaries serving in the Pioneer Ward , by Name Elder Divelbiss and Elder Hammond.
- Pray for personal missionary experiences

If you have anyone that you feel prompted about please let one of the Relief Society Presidency members know so we can get their info to the Missionaries. We need to keep the work moving forward and keep our Elders busy.

# SPOTLIGHT

## Everyone... Meet Tay Jaques

I've been married for 45 years we have four adult children they're married and we have three horses one dog one cat and numerous cows.

We've lived in this ward for 2 1/2 years we moved from Layton and we live on South Weber Drive

My ideal day would probably be a day at the zoo with all the grandkids we would walk around and see all the animals.

Then I will go to the cheesecake factory with friends

I really love to study the gospel in all the ways

And a random interesting fact is I'm going to be a great grandmother
