MISSIONARY CORNER

As a Relief Society we have been asked to provide a few names each week of individuals or families that the missionaries can contact who may be interested in the gospel or any current members that might need a bit of extra love to get them interested in coming back to church. Also, if there is a need of any service in the ward that the Elders can help with, please let us know or you can contact the Elders directly.

As you know our ward is growing at a tremendous rate and we want to encourage you and your circles to get out and meet our new neighbors and invite them to any and all activities coming up. Let them feel the Pioneer Ward Spirit and help them feel welcome!!!!

We would also like to remind you of our Ward Mission Plan that as you pray each day to include these 3 things...

-Pray for all the missionaries throughout the world
 -Pray for the missionaries serving in the Pioneer Ward , by Name Elder Hawkins and Elder Hammond

-Pray for personal missionary experiences
 If you have anyone that you feel prompted about please let one of the Relief Society Presidency members know so we can get their info to the Missionaries. We need to keep the work moving forward and keep our Elders busy.

SPOTLIGHT

Everyone... meet Nikkie Childs

Hi, I'm Nikkie Childs. I'm a crazy, and tired, mommy to five kiddos: Ender (9), Raiden (7), Oakes (5), Rally (3) and baby girl Liv (2 months). I work at home as the boss of our household. My husband Casey works remotely, designing apps for an online learning company.

My dad, Curtis Brown, works for the city and was always inviting us to fun events like the train rides or mother & sons Halloween party so we quickly fell in love with the area during all our visits. We LOVE our neighborhood and community! We were definitely meant to be here surrounded by all your wonderful faces.

In a perfect world my treat yourself day would be at least a week long; there are too many things I'd love to do! Some would include going out to breakfast, riding 4wheelers, going to adventure. She is kind and giving and sees the best in people. Also, Leslie Knope. She's a superstar.

I love to organize and plan things. I frequently speak in tv & movie quotes. a baseball game, planning a party or girls' night, getting a massage, pit stop at Disneyland for the day, going shopping for office supplies, having late night chats and laughs around a bonfire, snuggling babies and puppies, and checking some things off my bucket list like seeing the Northern Lights and Visiting the European countries of my ancestors.

One of the ways I best learn about the gospel is in group discussions. I love hearing other people's insight and personal experiences.

I hope as I age, I become more like my grandma. She is so knowledgeable, talented, and well-traveled. She is a hard worker and always up for an
