MISSIONARY CORNER

As a Relief Society we have been asked to provide a few names each week of individuals or families that the missionaries can contact who may be interested in the gospel or any current members that might need a bit of extra love to get them interested in coming back to church. Also, if there is a need of any service in the ward that the Elders can help with, please let us know or you can contact the Elders directly.

As you know our ward is growing at a tremendous rate and we want to encourage you and your circles to get out and meet our new neighbors and invite them to any and all activities coming up. Let them feel the Pioneer Ward Spirit and help them feel welcome!!!!

We would also like to remind you of our Ward Mission Plan that as you pray each day to include these 3 things...

-Pray for all the missionaries throughout the world
 -Pray for the missionaries serving in the Pioneer Ward , by Name Elder Divelbiss and Elder Hammond.

-Pray for personal missionary experiences
 If you have anyone that you feel prompted about please let one of the Relief Society Presidency members know so we can get their info to the Missionaries. We need to keep the work moving forward and keep our Elders busy.

SPOTLIGHT

Everyone... meet Sandy Bond!

Sandy Bond

Had a blind date a long time ago and have been married to Chris for 43 years and still going strong!

Lived in Mtn. Green for 17 years. Needed to downsize and simplify our life and moved here in the Riverside Active Community. We have been here a little over 2 years and love it!!

We have 4 children; 1 daughter and 3 sons. Josh lives in Mtn. Green, Britney lives in Morgan, Jason lives right here in South Weber, and Bryan lives in So. Ogden. We will soon have our 13th Grandchild. They range from newborn to 25 years old. We are so proud of every one of them!!

Our dog Timber died in Mtn. Green. It was hard to loose her but when we need some dog loving we go see Jas and Whit's dog Oakley!!

My treat day is going for an 8 mile hike in Millcreek canyon with my friends, then lunch at PLATES & PALATES in Bountiful. So Good!! ½ Lemon Tarragon Pasta Salad and ½ Strawberry chicken Salad and a big Diet Coke cuz after 8 miles I deserve it!!

I study and read my scriptures in the Bathroom---just being honest ;)

I love the Come Follow Me curriculum. And I love listening to "Don't Miss This" and "Scripture Gems". I listen to them while I'm getting ready.

I usually study when I am alone.

I have several answers as to who do I want to be when I grow up:

My dear friends how are always thinking of others!! They are amazing!!--- Me-New and improved, and Wonder Woman because then I could run all the marathons and do all the bike races I want and not be tired!!!

Random facts about me—

I HATE MICE & SKUNKS!!!!!! That is probably the one thing that my grandkids will remember about me!!
