MISSIONARY CORNER

As a Relief Society we have been asked to provide a few names each week of individuals or families that the Missionaries can contact who may be interested in the gospel or any current members that might need a bit of extra love to get them interested in coming back to church. Also if there is a need of any service in the ward that the Elders can help with please let us know or you can contact the Elders directly. As Spring is in full swing this is a great time to meet our new neighbors and also give them that Special Pioneer Ward welcome with a good old Sod Party.

We would also like to remind you of our Ward Mission Plan that as your pray each day to include these 3 things...

**-Pray for all the missionaries throughout the world
-Pray for the missionaries serving in the Pioneer Ward , by Name**

**~~~~~Elder Hawkins and Elder Schmiedel~~~~~
-Pray for personal missionary experiences**

If you have anyone that you feel prompted about please let one of the Relief Society Presidency members know so we can get their info to the Missionaries. We need to keep the work moving forward and keep our Elders busy.

SPOTLIGHT

Everyone... meet

Lynda Elkins

My husband Mark and I are empty nesters. There are only the two of us. We will be celebrating our tenth anniversary this year. Between Mark and I we have eight children. I came with a package of 2 and he came with a package of six. We have twenty-five grandchildren and one great grandchild. They are quite spread out. One lives in Tooele, one in Bountiful, one in Farmington, two in Layton, one in Houston, Texas, one in London England, and one in Magna. I need to mention here that we have three of my deceased sister's children that we claim as our own, and they are in Colorado.

We have been in the ward three and a half years.

When we first were married, we lived in Layton for a year, then moved to West Point for five plus years and then came here to South Weber.

Our address is South Weber Drive, however we live up on the hill across from Ryan and Stephanie Cook.

Tell us about your ideal 'treat yourself' day: Wondering up in the Mountain seeing hundreds of deer, moose, elk, bear, and seeing a mountain lion all while the eagles are flying over my head.

Where would you go? Mark and I love the great outdoors, we love to go camping, biking, hiking, jeeping, rock crawling, walking along the beach, being in the Mountains, rafting, walking in and along rivers and streams. watching the stars and the moon and I love to work in my yard.

What would you do? Experience mother nature

What would you eat/drink? My ideal treat would be popcorn or nachos with everything on them and a piece of dark chocolate. I enjoy water and chocolate almond milk.

Favorite podcast/study manual/etc: I love to listen to conference talks while doing the chores in my home and at work. I enjoy reading my scriptures and Come follow me. I study by myself most of the time due to Mark's work schedule and Church schedule, however I do enjoy a great spiritual conversation with him on things I study and want to share and get his input on.

Alone or with the family: Both

Who do you want to be like when you grow up?

There are many people I would like to have their traits but there is not a single person I would choose.

What is one random interesting fact about you that everyone should know? . I love to go Bear hunting, not to hurt but to see.

Can you provide a Picture of your family for us to share? I do not have a single picture of the 41 plus people in our family.
